BIYC: Our Foundations

Iyengar Yoga is based on the teachings of Indian master BKS Iyengar. It emphasizes precise and careful body alignment, muscular balance, and maximum spinal extension. By using simple props, the Iyengar method helps people of any age or physical condition to practice Yoga safely and derive its benefits. Yoga can enhance athletic performance, ease discomfort from stiff muscles and joints, and reduce the effects of stress. BIYC is fortunate to have 3 certified Iyengar yoga teachers on our schedule.

Purna Yoga is based on the teachings of Sri Aurbindo and The Mother, the Vedas, Patanjali, BKS Iyengar, and the systems of Ayurvedic, Chinese and Western nutrition, synthesized by the personal experience of Aadil Palkhivala and Savitri. *Purna* means "complete," and Purna Yoga distills and integrates the vastness of Yoga into an invaluable set of tools for transformation and healing.

She has studied with the Iyengar family ever since, both in India and while attending Yoga Conferences in the USA and abroad. She has taught ongoing classes in San Francisco and teacher workshops and retreats worldwide. Janet believes in the transformational power of yoga and shares her experience in a joyful way to each and every student she has the privilege of teaching.
