BIYC: Our Foundations

Iyengar Yoga is based on the teachings of Indian master BKS Iyengar. It emphasizes precise and careful body alignment, muscular balance, and maximum spinal extension. By using simple props, the Iyengar method helps people of any age or physical condition to practice Yoga safely and derive its benefits. Yoga can enhance athletic performance, ease discomfort from stiff muscles and joints, and reduce the effects of stress. BIYC is fortunate to have 3 certified Iyengar yoga teachers on our schedule.

YOGA TO MAKE YOUR HEART SING

Janet will teach all categories of asana with an emphasis on height and width in the chest.

Keeping an open chest in Asana is necessary to receive the benefits - both physical and psychological. Poor posture has a negative effect on all the physiological systems of the body. In addition we can look at the practice of asana as a form of somatic psychology. It's hard to feel depressed when your chest is light and open. Janet will be emphasizing this opening in all categories of asana.

About Janet MacLeod

Janet began her study of Iyengar Yoga in the late 70's in London. Upon her arrival in San Francisco a few years later, she enrolled in the Teacher Training Program offered by the Iyengar Yoga Institute of San Francisco. She became a CIYT in 1983 and that year took her first trip to the Mother Institute in Pune, India. She has studied with the Iyengar family ever since, both in India and while attending Yoga Conferences in the USA and abroad. She has taught ongoing classes in San Francisco and teacher workshops and retreats worldwide. Janet believes in the transformational power of yoga and shares her experience in a joyful way to each and every student she has the privilege of teaching.

Janet continues to study in India and in the U.S. with the Iyengar family, most recently in April 2019 when she attended the intensive in Cocoyoc, Mexico with Abhijata.

DEEPENING YOUR PRACTICE

Most teachers and students have a daily practice and a regular class they attend once a week. Immersing yourself in yoga for 4 days can take your practice to a deeper level where you can really feel the positive, powerful effect of this ancient art and science. Don't miss the opportunity to attend this workshop with Janet MacLeod who has been inspiring us at Big Island Yoga for the past 15 years.
